[Mr. Large/Chubb Rock](Diehard/Biz Markie)

From East to West whether your thin or thick

Whether your girl sucks lollis or just pure dick

Mario Puzo said that I'm the don

W W I'm the shit dot com

The first born, gone, born conceded

The black Moses, ask me to leave Egypt

Straight heady, I manage heavy, and lolli petty

I gave R. Kelly a Rolex wit a diamond bezzy

Rock Steady, beg me, consider me stern

The original hoodlum, Fishburn had to learn

Supersperm, court's adorn for the?nollin?

(You, you got what I need)

Let her toss your sald, big hittas love to sit wit big
figgas

I love black people, but I can't stand niggas

The ozz heads, back me, I'll cock shoggy

Ready to hold it down, I pop niggas like acne

Pay a token to breathe

Apollo wit low creed

For every government nigga, there's government
cheese

I'm Mr. Please, Mr. Large

Thirty foot garage

Mercedes beggy

Mad cheddy

Mr. Elly
