Baby, it's alright Stop your crying Now Nothing is here
to stay Everything has to begin and end A ship in a
bottle won't sail All we can do is dream that the wind
will blow us across the water A ship in a bottle set sail
Baby, it's alright Stop your crying, now There was a
weakling man Who dreamed he was strong as a
hurricane A ship in a bottle set sail He took a deep
breath and blew across the world He watched
everything crumble Woke up a weakling again Some
might tell you there's no hope in hand Just because
they feel hopeless But you don't have to be a thing like
that You be a ship in a bottle set sail Baby, it's alright
Stop your crying, now It's alright So stop your crying,
now Be a ship in a bottle set sail
