Nine planets surround the sun  
Only one does the sun embrace  
Upon this watered one  
So much we take for granted

So let us sleep outside tonight  
Lay down in our mother's arms  
For here we can rest safely

If green should turn to grey  
Would our hearts still bloody beat  
If a mountain tumbled away, river dried  
Would it stop the stepping feet

Whoa, let us sleep outside tonight  
Lay down in our mother's arms  
For here we can rest safely  
(Whoa, yes we can)

Take all that we can get  
When it's done  
Nobody left to bury here  
Nobody left to dig the holes  
And here we can rest safely  
{Oh, yes we can, in blood and water}

One sweet world  
Around this star is spinning  
One sweet world  
And in her breath I'm swimming  
And here I will rest in peace
