Could this be more vague to not commit yourself to it?
Stalling could be the key to get around it
Force fed your lies with no pressure to hold
Force fed your lies
This pressure will be sold

Could this be more vague to not commit yourself to it?
Stalling could be the key to get around it
Force fed your lies with no pressure to hold
Force fed your lies
This pressure will be sold

If I say it again, it won't sink in
This pressure leaves when I give in
