"We All Fall Down"

Clearly I am dreaming
Of a pond that's full of sun
While disaster looms on a nickel plated gun
Well it's so sad the game is lost
Before it has begun
Spent a lifetime living on the gun

But we all... we all fall down

Mass humiliation
Amphetamine nation
I'm diggin' in my pockets for the greed
Well I am housesitting God
And he's never coming home
You ain't gonna get mine
You better get your own

'Cause we all... we all fall down
Yes we all... we all fall down

When those little kids come runnin'
'Round my back door
I said "Now you better get out of here"
Because you might see some things
That you really don't wanna
We all fall

We all fall down
We all fall down... we all fall
