I hung up  
The phone last night  
Something happened  
For the first time  
Deep inside  
It was a rush  
What a rush  
Cause the possibility  
That you would ever  
Feel the same way  
About me  
It's just too much  
Just too much  
Why do I keep running  
From the truth  
All I ever think  
About is you  
You got me hypnotized  
So mesmerized  
And I just got to know

Do you ever think  
When your all alone  
All that we can be  
Where this can go  
Am I crazy  
Or falling in love  
Is it really  
Just another crush  
Do you catch a breath  
When I look at you  
Are you holding back  
Like the way I do  
But I know this crush  
Ain't goin 'away

Has it ever cross  
Your mind  
When were hangin '  
Spending time girl  
Are we just friends  
Is there more

Is there more  
See it's a chance  
We've gotta take  
Cause I believe  
That we can  
Make this into  
Something  
That will last  
Last forever  
Forever

Do you ever think  
When your all alone  
All that we can be  
Where this can go  
Am I crazy  
Or falling in love  
Is it really just  
Aanother crush  
Do you catch a breath  
When I look at you  
Are you holding back  
Like the way I do  
But I know this crush  
Ain't goin 'away

Why do I keep running  
From the truth  
All I ever think  
About is you  
You got me hypnotized  
So mesmerized  
And I just got to know

Do you ever think  
When your all alone  
All that we can be  
Where this can go  
Am I crazy  
Or falling in love  
Is it really just  
Another crush  
Do you catch a breath  
When I look at you  
Are you holding back  
Like the way I do  
But I know this crush  
Ain't goin 'away
