Ooh..Baby

Just Lemme Remind You,of how you made me  
promises..you told me  
you loved me and u would always love me,but you lied  
and continued to go on and leave me behind.

(chours)

my mind must have been somewhere else when i told u  
that i believed

u

i dunno what i was thinking to think that u were telling  
the truth

why wud how cud WHY WUD i believe u in the first  
place??

thinking that u would stay with me forever..i was wrong  
such a retard..

to believe that sh\*t was True.

i thought that we wud be forever..buh we're not even  
together..

wherever n whenever..ur still my world..ur my life ur my  
boo..i

just wish we wud be together,forever.

U broke my heart by saying we'd be married some day

look at us now whenever i come ur way

u turn and u run and u walk away

how do u think that makes me feel...babay

ooh how i love to love u

i wish ud love me too

Hunny see we were the best thing ever

the greatest couple outta dem all

now im sitting with my new boyfriend

staring at the wall

thinkin WHY DID OUR LOVE DIE

why did it have to be us

cuz i love u u have my trust..

but u think its not supposed to be us

(chours)

IF WE CUD BE TOGETHER BABI ID BE SO HAPPY...
