(feat. JZone)

Baby you got what I need  
Try to sleep I haven't slept, try to eat I forget  
Shit where's your number hope that's the one I kept  
Now we just met and I suspect I might just love you  
Well you can bet I'm mad thinkin of ya, don't want to  
trouble ya  
Check my dress -about the same color as my BMW  
Think about my hand round that penis damn son you  
just had a stroke a genius  
Like Manson your eyes are like gone crazy like Macy  
Gray I'm a get you up and do somethin  
[JZone rhyme]  
Fine, OK, so that's the way you like it get you Henny but  
watch it I might spike it  
If you were wearin a skirt I'd tell you to hike it and when  
we get down best believe I'm a mic  
It  
You must be used to all this winin and dinin just drink  
your wine and don't want to hear your  
Whinin  
Gonna get mine, no fights aight, I'm fucking you  
tonight  
I'll throw rocks at your window while you sleep at home  
and if that don't work well I'll just  
Throw you this song  
[JZone:] Well if you ever feel freaky I'll be your ho  
But if you ain't got my cash I'll be out the door  
[JZone rhyme]  
I like it dirty hottie, buy you Karl Kani, Armani, lick Criss  
off Punani  
[JZone rhyme]  
Male ho huh? I'm a make you my housewife, get your  
ass indoors, please, see I asked nice  
[JZone rhyme]  
Get back here lobster costs 35 bucks, I want an hour for  
each dollar that's 35 fucks  
No hugs just my diamond thug come on baby baby  
give me that nasty love
