except to hear dat ur still lovin

Both: (chours)

cuz u know dat i neva asked u
c'mon just admit that i was right
u know u love me day and night
c'mon now just say ya do
cuz u know dat i neva asked u
c'mon just admit dat u were wrong
and u still think of me all day long

Oooh...yeahh..just c'mon baby

Amba:
first of all lemme say dat u were my whole world
i didnt deserve one thing
that u said
just to hurt me
the way that u did

Princess:
u were wrong..
tellin me dat u dont love me at all
now u need me
ur continuing to live without me
cuz u know u love me
and it hurts
and it kills me to know that its happening

and its gone
and i still think of u All day long
