You know we got panache Spendin mad cash money
money and we real bad ass Style, sass, gettin mad
cash keepin it under wraps Pizazz and class we sit in
the back You know we got panache style, sass Gettin
mad ass keepin it under glass Pizazz and class we kiss
in the back Spittin mad trash honey honey and we real
bad ass You know we got panache we gettin mad cash
Paid a dime a second like Diamond Dave and Damon
Dash It's ironic how erotic my robotic sonnets get girls
in bonnets hot like Harry Connicks Sick on gin and
tonics we super sonic hook you on our phonics I spit
sonic gas classy psychopath psychotic iconoclast I got
an iconic ass Never stoppin it sock electronic shit
allotted the whole club up when we spotted it And if we
wanted it fill it with men and spawn and shit Learned
Ebonics by erotic ebony dick and Mantronix High ballin
cat callin no alcohol yo we all suck on a straw Ain't
nothing wrong with it lets get the party started shit let's
get it on and hit Never do look back OK papa? A certain
Je ne sais quoi at the bar I hit it raw never do look back
unless we like what we saw On the case like Steve Case
estates like Oprah's place Savoir faire and grace every
hair in place here's a taste no time to waste Spin wax
make tracks we laid laid back, ladies get laid and stay
up late at that Do my makeup in the mirror while I sit up
on your face Mad kissable it's difficult aristical
princess for instance we invincible never divisible make
We paid great and when we don't got dates dig in the
crates eat steak and masturbate Now we getting
critical mass sass pinnacle like the citadel not minimal
we hospitable you invisible Strip malls to big balls 'n
concert halls New York Dolls taggin up bathroom stalls
Kit in each car Kittens with Kit Kat bars kickin etiquette
from Connecticut to Zanzibar We All-Stars make folly
North down to Raleigh We allowed on his trolley Follow
me suck lollys down in Bali all enthralled dollies arty as
Dali And when Mr. Rodgers calls me-
