Sometimes it's hard to be a woman giving all your love
to just one man

You'll have bad times and he'll have good times doin'
things that you don't understand

But if you love him you'll forgive him even though he's
hard to understand

And if you love him be proud of him cause after all he's
just a man

Stand by your man give him two arms to cling to

And something warm to come to when nights're cold
and lonely

Stand by your man and tell the world you love him

Keep giving all the love you can stand by your man

Well honey that's the only way that daddy knows how to
answer your question

I knew when your mama passed away that someday I
have to explain the things to you

That might make me and you both feel uncomfortable

So I thought that the best thing to do

Is to sing you this song your mama used to sing

I hope that you will understand cause she did stand by
her man

Stand by your man...

Stand by your man...
