I'm rolling out of the ferris wheel  
No one looks and no one feels  
But the baby can the baby can

The way it feels just feeling you  
Holding out and falling out  
But the baby can the baby can

I'm the jumping man  
I'm the jumping man

But baby can float  
Baby can drown  
Baby can touch her toes  
Toss her hair  
Makes you feel you're going nowhere  
Baby can dance  
Baby can dance  
Baby can walk around the town  
Attract a man and cut him down

I'm the shadow man the jumping jack  
The man who can and don't look back  
But the baby can the baby can

I'm rolling out of the ferris wheel  
No one looks and no one feels  
But the baby can the baby can

And the way it feels  
I'm feeling you

But baby can float  
Baby can drown  
Baby can touch her toes  
Toss her hair  
Makes you feel you're going nowhere  
Baby can dance  
Baby can dance  
Baby can walk around the town  
Attract a man and cut him down

Everyday is far away

Everyday, everyday

It's over now

It's over now

It's over now

It's over now

It's over now

But baby can float

Baby can drown

Baby can touch her toes

Toss her hair

Makes you feel you're going nowhere

Baby can dance

Baby can dance

Baby can walk around the town

Attract a man and cut him down

But baby can float

Baby can drown

Baby can touch her toes

Toss her hair

Makes you feel you're going nowhere

Baby can dance

Baby can dance

Baby can walk around the town

Attract a man and cut him down
