Everytime when I see you again  
I look into your eyes  
But when I softly speak your name  
You're cold as ice

No I didn't get to tell you how I feel  
These simple words that you must hear  
That you must hear

I was wrong  
To tell you goodbye  
I was wrong  
You're still on my mind  
And I really need you back again  
Just like a flower needs the train

Whenever I'll be without you  
When another day ends  
So what I'm gonna do  
My life is in your hands

No you didn't get to tell me how I feel  
These simple words I long to hear  
I lon to hear

I was wrong  
To tell you goodbye  
I was wrong  
You're still on my mind  
And I really need you back again  
Just like a flower needs the train

I was wrong  
I was wrong  
And I need you yes I need you  
More than words can every say

I was wrong  
To tell you goodbye  
I was wrong  
You're still on my mind  
And I really need you back again

Just like a flower needs the train
