So you think it's over ...
Let me tell a story ...
The pain will never go away ...
Never...
I see a shadow every day and night
I walk " The hundered street's " of neonlights
Only when I'm cryin' ...
Can you hear me cryin' ...
So many times, you always wanted more
Chasing illusions that your loging' for
Wish I wasn't cry ...
Can you hear me cryin' ...

I've been told thousand of times
That's the way the story goes
Hey, now, he-y-e-y now
That's the way the story goes

Dreams of gold, thousand of times
That's the way the story goes
Hey, now, he-y-e-y now
That's the way, that's the way the story goes,
Story goes ...

Was there a moment when I felt no pain ?
I want to feel it in my life again
Let it be over now ...
O-o-over now ...
'Cause I remember all the days and nights
We used to walk the streets of neon lights
Oh I want you here with me
I've been told thousand of times
That's the way the story goes
Hey, now, he-y-e-y now
That's the way the story goes

Dreams of gold, thousand of times
That's the way the story goes
Hey, now, he-y-e-y now
That's the way, that's the way the story goes,
Story goes ...

So many times, you always wanted more
chasing illusions that you're loging' for
Wish I wasn't cryin' ...
can you hear me cryin' ...

I've been told thousand of times
That's the way the story goes
Hey, now, he-y-e-y now
That's the way the story goes

Dreams of gold, thousand of times
That's the way the story goes
Hey, now, he-y-e-y now
That's the way, that's the way the story goes,
Story goes ...
