I was hurt, so were you  
The things you said made me feel blue  
So I showed you my self-protection  
Took your pride apart of you  
Now you're gone don't know where  
But I can feel that I still care  
Should I apologise or forgive you  
There is still a melody inside of me

I tried to say I'm sorry  
Oh I tried to play your game  
And don't you know  
I tried to say I'm sorry  
And don't you know  
That I'm the one to blame

You said yes, I said no  
I nearly saw the tempest grow  
But lately I am feeling so mellow  
I wonder maybe you can feel  
Show a sign let me in  
Come back from where ever you've been  
Time will heal our wounds in forgiveness  
And beyon' our fight love's shining bright  
I tried to say I'm sorry...
