Go my dear, get out of here, you can't carry the weight
Any longer to me.

To me, the one, the one I admit, the one you pained
and

The one you'll never forget. Oh...

Oh no we are locked in the compound, Na na na, Na na
na

Get out the City's on Lockdown, Na na na, Na na na
I know we'll get out somehow, Na na na, Na na na
Get out the City's on lockdown.

This wont stop, I fear, you burn in my ear
My eyes my mind and I'm crushed by the weight of
these

Sleepless nights
So I rely on thoughts wonder why these feelings you
gave
Me insist on staying alive.

Oh no we are locked in the compound, Na na na, Na na
na

Get out the City's on Lockdown, Na na na, Na na na
I know we'll get out somehow, Na na na, Na na na
Get out the City's on lockdown.

For everything I wanted you came again and again and
Again.

For everything I wanted you came and-
