I know you want me
I made it obvious that I want you too
So put it on me
Let's remove the space between me and you
Now rock your body
Damn I like the way that you move
So give it to me
Cause I already know what you wanna do

Here's the situation
Been to every nation
Nobody's ever made me feel the way that you do
You know my motivation
Give in my reputation
Please excuse I don't mean to be rude

But tonight I'm loving you
Oh you know
That tonight I'm loving you
Oh you know
That tonight I'm loving you

You're so damn pretty
If I had a type than baby it'd be you
I know your ready
If I never lied, than baby you'd be the truth

Here's the situation
Been to every nation
Nobody's ever made me feel the way that you do
You know my motivation
Given my reputation
Please excuse I don't mean to be rude

But tonight I'm loving you
Oh you know
That tonight I'm loving you
Oh you know
That tonight I'm loving you

[Ludacris]

Luda...
Tonight I'm gonna do
Everything that I want with you
Everythin that u need
Everything that u want I wanna honey
I wanna stunt with you
From the window
To the wall
Gonna give u, my all
Winter n summertime
When I get you on the springs
Imma make you fall
You got that body
That make me wanna get on the boat
Just to see you dance
And I love the way you shake that ass
Turn around and let me see them pants
You stuck with me
I'm stuck with you
Lets find something to do
(Please) excuse me
I don't mean to be rude

But tonight I'm loving you
Oh you know
That tonight I'm loving you
Oh you know
That tonight I'm loving you
