Monday morning I call you up
How was your weekend? I just can't stop
It's Tuesday and you're stressed again
I'll rub your back, I'm such a good
friend

Wednesday and I'm feeling fine
Another guy moved you down his line
Thursday we'd go rent a flick
Watch it close together we still don't click

There we've said it again
I think of you as more than a friend
There we've said it again
I think of you as more than a friend

Friday and the weekend's here
I didn't make plans in case you're clear
I'll meet you 'round at half past nine
You said you're going out, I said have a good
time

Saturday we've got a date
It's a daytime thing, you've gotta be
somewhere late
Anyway, I'm next to you
There's nothing more I'd rather do

I can think of one thing

There we've said it again
I think of you as more than a friend
There we've said it again
I think of you as more than a friend

I can't stop now
I can't stop now
Can't turn back now
Wouldn't want to anyhow

Sunday is a day of rest
But I've gotta get something off my chest

You want me to tell you on the phone
But IÃƒÂ€Â™ m coming over, youÃƒÂ€Â™ re alone

Things are cool, donÃƒÂ€Â™ t get me wrong
But I want more, check out this song
Together we can make it work
Now I hope you donÃƒÂ€Â™ t think that IÃƒÂ€Â™ m a
jerk

I'm here for you

There IÃƒÂ€Â™ ve said it again
I think of you as more than a friend
There IÃƒÂ€Â™ ve said it again
I think of you as more than a friend

There IÃƒÂ€Â™ ve said it again
There IÃƒÂ€Â™ ve said it again
There IÃƒÂ€Â™ ve said it again
(There IÃƒÂ€Â™ ve said it again)
There IÃƒÂ€Â™ ve said it again
(There IÃƒÂ€Â™ ve said it again)

And again and again
And again and again
