i need a big boy to do big things
need him in my life need him close to me
i need a boy to do big boy things
with him to understand and for fill my needs

i need him, a big boy
got to have him cause hes my boy
lives it up please dont stop
cause hes my toy
we go hard then take it slow
i tremble when you touch me
heart races mayn you got me
i start to moan when you get close to me
soaking wet so take control

(chorus) big boys do big things
need you in my life baby,
want you in my life honey
big boys do big things
i need you in my want you in my

i need a
i need a big boy to do
i need a
i need a big boy to do
i need a big boy to do big things
need him in my life need him close to me
i need a boy to do big boy things
with him to understand and forfill my needs

wanna kiss you i can't take it
no patience want you to taste this
sexy tattoos and your body's amazing
i'm to tight this feels so right
can i have you? are you taken?
i been waitin, consenplatin
i been dreamin about our love makin
baby take me home tonight

(chorus)
