Sing to the Lord, and praise His name
Proclaim His love day after day
Declare His glory among the nations
For great is the Lord

I will tell Him of His love and of His grace
I will tell Him of His glory and His strength
I will tell Him of the beauty in His face

My heart is overwhelmed
I will

I will worship Him in spirit and in truth
I will worship in my age and in my youth
I will worship Him in everything I do
My heart is overwhelmed
I will
