Stop your crying
Dry your eyes
The train is leaving
Say goodbye
The train is leaving
Hey hey hey
The train is leaving, hey
Better get onboard
If you ever wanna see them all
Truth is coming
That's no lie
Don't stand where they wanna pass us by
The truth is coming
Hey hey hey
The truth is coming, hey
Better get onboard
The train is leaving
I'll be riding on that train
Never tell another lie again
I'll be riding
Hey hey hey
I'll be riding, hey
Better get onboard
The train is leaving
Watch your breathing
Close your eyes
The truth is coming from deep inside
The truth is coming
Hey hey hey
The truth is coming, hey
Better get onboard
If you ever wanna see them all
Put all your worries out of mind
We'll go rolling on down the line
The train is leaving
Hey hey hey
The train is leaving, hey
Better get onboard
If you ever wanna see them all
Seasons changing
So am I

No more waiting
Now's the time
The train is leaving
Hey hey hey
The train is leaving, hey
Better get onboard
The train is leaving
Say good-bye
Say good-bye
Say good-bye
The train is leaving
Hey hey hey
The train is leaving, hey
Better get onboard
The train is leaving
