I'm-I'm a wandering stranger  
Honey yes in  
Honey yes indeed  
I'm a wandering stranger  
Honey yes indeed  
Who's got every little thing  
That a wandering stranger needs  
Who might stop in Memphis  
California  
California bound  
Who might stop in Memphis  
California bound  
Who might reach the ocean  
And turn right back around  
Momma, momma  
I believe your son is  
I beleive your son is gone  
I said momma, momma  
I believe your son is gone  
I saw him leaving, momma  
With his long coat on  
Put my collar up baby  
My back against the  
Back against the wind  
Put my collar up baby  
My back against the wind  
Ain't it hard to tell  
When I'll be back here again  
Cause I'm a wandering stranger  
That's just what I  
That's just what I am  
I'm a wandering stranger  
That's just what I am  
And if you want to try to change me, momma  
Leave you where you stand  
Understand?  
If you see me walking  
Talking to my  
Talking to myself  
If you see me walking  
Talking to myself

It's cause I don't need you, mamma  
I don't need nobody else  
I'm going away, baby  
Don't you wanna  
Don't you wanna go  
I'm going away, baby  
Don't you want to go  
We can stop in New Orleans  
On the way back to Chicago  
Sweet home Chicago  
Let me tell you something  
Keep it to your  
Keep it to yourself  
Let me tell you something  
Keep it to yourself  
Don't tell your new boyfriend  
Don't tell nobody else  
If I ever find a home  
Wherever it may  
Wherever it may be  
If I ever find a home  
Wherever it may be  
You'll be always welcome, mamma  
To come spend the night with me  
But I'm leaving in the morning  
Ain't it just my  
Ain't it just my stlye  
Oh leaving in the morning  
Ain't it just my stlye  
I'm gonna feel so much better, mamma  
With another thousand miles  
A little red suitcase  
Try to keep it  
Try to keep it locked  
A little red suitcase  
Try to keep it locked  
But it seems so heavy, mamma  
You know it just ain't right  
If you wanna live easy  
Pack your clothes with  
Pack your clothes with mine  
If you wanna live easy  
Pack your clothes with mine  
And if you wanna stay hard, mamma  
Tell you where I'm going  
You see me coming  
Please unlock your  
Please unlock your door  
If you see me coming  
Please unlock your doors  
And don't treat me like no stranger, mamma

I've been here before  
You say you like me crazy  
You glad I lost my  
Glad I lost my mind  
You like me crazy  
And you glad I lost my mind  
You're gonna be so glad  
When I'm on my way down the line  
I'm just trying to tell it  
Like you know it  
Like you know it is  
I'm just trying to tell it  
Like you know it is  
So fix me one more drink, mamma  
And give Mr. Entrance one more kiss  
I'll soon be standing  
By the highway  
By the highway side  
Oh, I'll soon be standing  
By the highway side  
Watching the parade of strangers  
Pass this wanderer by  
I'll be leaving in the morning  
Yeah you know it  
Yeah you know it's true  
I'll be leaving in the morning  
Yeah you know it's true  
Cause I'm a wandering stranger, mamma  
And I'm so sick of you  
Cause you look at me like I'm the  
Strangest wanderer  
The strangest wanderer you've ever seen  
You look at me like I'm the  
Strangest wanderer you've ever seen  
And I got so strange  
From going where you ain't never been  
And I'm proud to be leaving again
