(Verse 1)

So you see right through me  
am I really here  
if I told You something  
would you even care  
would you even dare

So I expected this circumstance  
I'm unconnected  
I couldn't take A chance

(Chorus)

On another day  
would it be this way  
I asked myself

if I was dreaming  
you'd see me  
I'd be understood  
but I'm just drowning  
going under  
wishing you say we could

but if you just walk on by  
I'm only dreaming  
I'm only dreaming

(Verse 2)

when I just don't wanna  
lose the moment  
leave the conversation  
hanging in the air  
oh, tell me do you care  
I can walk on water  
I just don't look down  
I've got no intention  
of turning around

(Repeat Chorus)

(Verse 3)

And what keeps on pulling me  
is something I did not see  
I'm falling so suddenly  
and I ask myself  
and I ask myself

(Repeat Chorus)
