Ask me to dance  
Ask me to dance  
While the room around me explodes this is your last  
chance

Just 'cause I have one leg  
Don't mean I can't twist.  
I hop along peg-leg style  
And you act like I don't exist

This is a dancin' song and I  
Don't want to dance all alone  
No I don't want to dance all alone  
Said I'm not gonna dance all alone  
Cause I feel so lonely

Ask me to dance  
Ask me to dance  
While the room around me explodes this is your last  
chance

Through no fault of my own  
I was born to this child  
Portable party, wallflower girl  
Now I'm going to dance free-style

This is a dancin' song and I  
Don't want to dance all alone  
No I don't want to dance all alone  
Said I'm not gonna dance all alone  
Cause I feel so lonely

Ask me to dance  
Ask me to dance  
While the room around me explodes this is your last  
chance

Joe: "What's a girl to do if she only has one leg?"  
Rodney: "Well, I imagine she could join a convent!"

Ahhh ahhh ahhh ahhh

Ask me to dance  
Ask me to dance  
Ask me to dance, ask me to
