Good evening ladies and gentlemen  
And welcome to P.J.'s Astrological Love Lounge  
We are Lester Shy and the Shyphonics  
My name is Lester Shy and these fine gentlemen all  
around me  
Well they're the Shyphonics  
And we hail proudly from Fargo, North Dakota  
Now, way down south in Fargo, whenever we needs a  
little somethin' extra  
We like to do a little thing we call the brown nose  
And we'd like all you fine ladies and gentlemen here  
tonight  
To help us out in doin' the brown nose  
So remember: when I shout "What you gonna do?"  
You're gonna shouts back "Gonna brown nose. Gonna  
brown nose"  
Think you can handle that? (crowd: ya!)  
I'm pretty sure you can; let's give it a try

What you gonna do?  
(Gonna brown nose. Gonna brown nose)  
Oh, ladies and gentlemen, you should all be round up  
and shot  
That was terrible (crowd: moans)  
What you gonna do?  
(Gonna brown nose. Gonna brown nose)  
Yes! Yes! That's so much better  
You have my permission to go out and reproduce  
(crowd: light cheering)  
You're lovely human beings  
So now we're gonna do a little brown nosin' for ya  
Are you excited? (crowd: cheering)  
Are you ready?  
Okay then, here we go!

When you want that job, I say now what you gonna do?  
(Gonna brown nose. Gonna brown nose)  
There's rich uncle Bob, I say now what you gonna do?  
(Gonna brown nose. Gonna brown nose)  
You get stopped by the man, I say now what you gonna  
do?

(Gonna brown nose. Gonna brown nose)  
Record company wants to sign your band, I say now  
what you gonna do?  
(Gonna brown nose. Gonna brown nose)

Mercy!  
Jump back and kiss myself 300 times

Alright!  
Now I know many of you fine ladies and gentlemen  
Have begun to ask yourself  
Ooh, but Lester Shy and the Shyphonics  
How do we do this wild new thing you call the brown  
nose?  
Well take a second, prepare yourself mentally and  
physically  
We'll show you how to brown nose

Bend your (bend yo') knees (ooh LaLaLa...)  
Now move your head like this (ooh LaLaLa...)  
Pucker dem lips (ooh LaLaLa...)  
Give dat butt a kiss (ooh...)  
Kiss my

Askin' for some green, I say now what you gonna do?  
(Gonna brown nose. Gonna brown nose)  
Boss is really mean, I say now what you gonna do?  
(Gonna brown nose. Gonna brown nose)  
Wanna impress your a' girlfriend's father, I say what  
you gonna do?  
(Gonna brown nose. Gonna brown nose)  
Owe some money a' to your brother, I say what you  
gonna do?  
(Gonna brown nose. Gonna brown nose)

You! Yes you! Here's a dime; run out and call the PMRC  
(Ok)

Gonna brown nose!

I wanna see every last one of you brown nosin'  
Even you tuna lips

Alright! If you can dig it I wanna hear you shout  
Erlenmeyer Flask  
(Erlenmeyer Flask)

Alright, I know you loved it the first time  
You gonna love it even more the second time  
As once more, we prepare to get down  
And do some serious big-time brown nosin'

Bend your (bend yo') knees (ooh LaLaLa...)  
Move your head like this (ooh LaLaLa...)  
Pucker dem lips (ooh LaLaLa...)  
Give dat butt a kiss (ooh...)  
Kiss my (YA!)
