Version 1:

from the Smokin' Banana Peels EP

I hate myself - hate myself
And you - I hate you
I hate myself - hate myself
And you - I hate you
Roses are red and
Violets are blue
I hate me and
I hate you
I hate my life and I hate yours
I hate my life and I hate yours
Let's get together and make a pact
Let's get together and make a pact
Let's get together and end it all
Let's get together in a bathroom stall

I - I take drugs, I take drugs
And Glue - I sniff glue
I - I take drugs, I take drugs
And Glue - I sniff glue
Roses are red and
Violets are blue
I take drugs and
I sniff glue
I hate my life and I hate yours
I hate my life and I hate yours
Let's get together and make a pact
Let's get together and make a pact
Let's get together and slit our wrists
Let's get together and do the twist

I eat lye soap - eat lye soap
And stew and I eat stew (Hello Stuart!)
I eat lye soap - eat lye soap
And stew and I eat stew

Roses are red and
Violets are blue
I take eat soap and
I eat stew
I hate my life and I hate yours
I hate my life and I hate yours
Let's get together and make a pact
Let's get together and make a pact
Let's get together and end it all
Let's get together in a bathroom stall

from Now We Are Ten

Dave's song...

I hate myself - hate myself
And you - I hate you
I hate myself - hate myself
And you - I hate you
Roses are red and

I hate my life and you hate yours
I hate my life and you hate yours
Let's get together and make a pact
Let's get together and make a pact
Let's get together and end it all
Let's get together in a bathroom stall

I - love my belt, love my belt
And Glue - I love glue (Yeah, New York skinheads!)
I - love my belt, love my belt
And Glue - I love glue
Bruises are black and
Bruises are blue
I take drugs and
I sniff glue
I hate my life and you hate yours

Let's get together and make a pact
Let's get together and make a pact
Let's get together and slit our wrists

(Random wailing)

Dave did it.

OK. All right. Out of the band. Go. Turn in your bass at the door.
