Gotta go somewhere
When you die
So why not see the world
Through jellyfish eyes

Jellyfish heaven
Where jellyfish go
To get away from Mormons
And drunk Eskimos
Jellyfish heaven
Is a lot
Like LA

If you're bad
You'll go to hell
And jellyfish will sting you
And your body will swell

Jellyfish heaven
In the big blue sea
Where it's too cold to surf
And it's too warm to ski
Jellyfish Heaven
Is full of dead
Jellyfish

People always saying
"I won't eat jellyfish
'Cause they ain't got no bones
And you can't make a wish"
People always shouting
"Don't go swimming near those things!"
But when they're close to dying
You can hear them sing

Jellyfish heaven
Is not like Japan
Jellyfish heaven
Is not like Thailand
Jellyfish heaven
Is a lot

Like LA

Sweet jellyfish! (x2)

I've been dazed and confused
For so long it's not true
I wanted a jellyfish
Never bargained for you
Lot's of people talking
Few of them know
Soul of a jellyfish
Was created below!

Papa don't preach!
I'm gonna keep my jellyfish!
I've been tied to the jellyfish
Tied to the jellyfish (x2)
Oh Lord, I feel like I'm dying....
