Well I tried everything  
Just to get along with you  
And I'm gonna tell you just  
What I'm gonna do  
Well I'm sick of all your cryin  
When you should be leavin me alone  
If you don't believe me  
You pack me bags, I'm gone  
Wontcha please  
Don't that sun look good goin' down  
You almost lost your love girl  
When your ol man ain't around

Chorus:  
Won't you please  
Don't that sun look good goin' down  
When your ol man ain't around  
Won't you please  
Don't that sun look good goin' down  
And you best believe I love ya baby  
When your old man ain't around

Chorus (repeat)  
Round and round
