Why did I give my neighbors
The head of a chicken last night?
Did I think a headless chicken could
Make everything alright?
Why do I do these bad things
That I sometimes do?
Is there something wrong
With me or with you?

Why don't you stop lookin' at me?
Why don't you stop spyin' on me?
Why don't you just leave me alone?
Why don't you get out of my head (x4)?
You put something in my skull (x4)

Why did I teach the school kids?
?????
Is it just because I
Like to hear the children shriek?
Why do I do these bad things
That I sometimes do?
Can you give me a reason?
Can you give me a clue?

Why don't you stop lookin' at me?
Why don't you stop spyin' on me?
Why can't you just leave me alone?
Why don't you get out of my head (x4)?
You put something in my brain (x4)

Why did I touch the postman
With a cattle prod today?
He wasn't hurting me
He wasn't in my way

You put something in my skull (x3)

Why did I get the flowers
I know it's not allowed?
Is it just because I
Wanna stand out from the crowd?

Is there something in my brain?
Is there something in my skull?
