The Dead Milkmen  
Plum Dumb  
Big Lizard in My Backyard

She stands there on the corner  
decked out in raspberry jeans  
waiting and watching and oh here he comes  
he pulls up beside here in a sporty machine  
rolls down his window  
and hands here a bag of plums

Plums? Eat them he tells here  
they make you feel great  
So she hops in the car he steps on the gas  
she swallows the plums  
and says it's getting late  
can't you drive faster  
just a wee bit faster  
you're not going to fast

Freeway riding down the freeway  
cruisin' they are really cruisin'  
when the plums take affect  
the plums suddenly juice her mind  
she is no longer a nervous wreck  
now her nerves are blind she feels fine

Oh I feel great she says  
but he already knows it  
cause she's fingering his hair  
and biting his toe  
she's really plumbed out  
and in her eyes she shows it  
she says what's the hurry? Drive more slow

Moisture drips from her edible lips  
he looks into her eyes and he's  
quick to relize  
that he'd better pull over  
before he gets to Dover  
cause if he really wants her

now the time is wise

Freeway riding down the freeway  
cruisin' they are really cruisin'  
when the plums take affect  
the plums suddenly juice her mind  
she is no longer a nervous wreck  
now her nerves are blind she feels fine

"Hush little baby don't say a word : "I woke up, can't  
wait to eat  
And never mind that noise you heard : Got my cereal,  
boy I was beat  
It just the beasts under your bed : Opened the fridge  
and to my dismay  
In your closet in your head!!!" : There was no milk my  
mother will pay
