Come gather 'round people wherever you roam  
And admit that the waters around you have grown  
And accept it that soon you'll be drenched to the bone  
If your time to you is worth savin'  
Ahh you better start swimmin' or you'll sink like a stone  
For the times they are a-changin'

Come writers and critics who prophesize with your pen  
Keep your eyes wide the chance won't come again  
And don't speak too soon for the wheel's still in spin  
There's no tellin' who that it's namin'  
The loser now will be later to win  
For the times they are a-changin'

Come mothers and fathers throughout the land  
Don't criticize what you can't understand  
Your sons and daughters are beyond your command  
Your old road is rapidly agin'  
So get out of the new one it can't lend your hand  
For the times they are a-changin'
