I was the kind of kid back in school  
Who wore a members only jacket, thought he was kool  
That's when I met katrina, she was best friends with  
seshel  
I thought she was the one, yeah I thought she was  
special  
I saw her in the hall about quarter til three  
I said I'll take you in my nova, to the tasty freeze  
She said I know all about you, more than I should  
I know all about the dirty mags you keep in the woods

So tell me how I'm supposed to be when I've been  
stalked by a lesbian  
I can't sleep a wink, and I'm married to the ephedrine  
How am I supposed to act when I've been stalked by a  
lesbian now

Now don't take it light, it may seem funny to you  
Yesterday my science project, was covered in glue  
So I asked that guy seshel, was it something I said  
He said quit being so fuckin' paranoid, it's all in your  
head  
The way she's looking at me, I think she wants me to  
be,  
The guy that always gets shot in every movie you see  
She's walking this way, oh my god what should I say,  
I hope and pray that one day she'll be straight

So I was at a bar the other night and I looked across the  
room and  
there's this girl and she walks up to me and she's  
beautiful and she  
says 'Hey, I'm Katrina, dude, remember me?' and I  
freaked I said 'Oh  
my god I thought you looked familiar' about this time  
this 400 fucking  
pound woman walks up with Katrina's face tattooed on  
the side of her  
neck, she comes waddling and says 'DON'T FUCK WITH  
MY GIRL' I looked  
at Jabba straight in the fucking eye and say 'Don't worry

every time

I picture Katrina's face it's gonna be on the side of your  
gross,

fat-assed, 3 chinned neck' she says 'Are you stupid?'

I say 'NO I'M JUST SOBER
