You walked into the bathroom  
To wash your troubles away  
You always seem to go in there  
about 20 times a day  
I dropped you off at your therapist  
Where you walked across the street  
To the neon lights with the purple door  
Where you passed out on your feet  
Don't think that I don't see it all  
The beautiful high and the sobering fall begin  
It's a kick ass day, wish you were here  
Send a postcard telling me  
when you're here again  
Cuz I can't get through to you

Chorus:

There's a lot I could say  
There's a lot I could do  
If I had it my way  
But I don't and you do  
Makes me throw up to say that I cared at all  
I gave a lot and now I'm shot  
And s\*\*t like that is like sour lemonade

I tried to call you favorite bar  
But I got a drunk Australian  
He talked a million miles an hour  
But I can't tell what he's saying  
Something about a song by KISS  
And how they watched you piss yourself away  
As the glass goes crashing to the floor  
From the phone booth I hear more delay  
Cuz I can't get through to you

Chorus
