Hey boy do you wanna use me Got something much better than sushi My, my, my coochie Creamy like butter, better ask my groupies Why you over there by yourself What you got there below your belt Even though I got an ass like a shelf Listen baby doll I'm gonna need some help You know we don't care, you just a true player Move on over my underwear, when you're down don't come up for air Wet, wet, get the steam On your knees boy, better bow to the queen You can take one for your team Eat some cookies, lick the cream, uh

Uh, uh, my coochie, coochie, coochie, coo My coochie, coochie, coochie, coo My coochie, coochie, coo My coochie, coochie, coo My coochie, coochie, coo

Touch it, touch it, cause I'm nice Coochie, coochie goes all night Got it goin' on, better step to me right Coo-coo always knows what you like Touch it, touch it, make it hot Better promise me that you ain't never gonna stop Ride on elevators, ride to the tops We like chickens, we like cocks

My coochie, coochie, coochie, coo My coochie, coochie, coochie, coo

I said, I said, my coochie, my coochie My coochie, my coochie, my coochie, my coochie My coochie, my coochie, uh, uh

My coochie, coochie, coochie, coo My coochie, coochie, coochie, coo

I said, I said, my coochie, my coochie My coochie, my coochie, my coochie, my coochie I said, I said, my coochie, my coochie My coochie, my coochie, my coochie, my coochie That's what I said
