(Jessie Nunes)  
Who Ak, Akinyele  
Ya he came to London  
I took him around and shit  
He was nice  
I was going to fuck him  
No I really was going to fuck him  
But I didn't  
I wanted to fuck him though  
I said I'll give you some of this pussy  
But he started talking some wild shit  
He said

Hook: (Akinyele - in CAPS), (Jessie and Christine - in lowercase)

OH YES YOU WILL BE LICKING MY DICK TONIGHT  
Oh no I motherfucking won't

(Akinyele)  
I was laying in the bed  
Like give me some head  
She said  
When it coming out black uh uh you dead  
I don't suck dils  
I was looking at the chick like bitch ill  
What the fuck the deal  
Do you really feel  
If you don't begin at nil  
You would add sex appeal  
Well I feel  
Oh yes you will be licking my dick tonight  
My zipper went zip  
I put my pants to my hips  
She put her thumbs up like the father said ssss  
I was like shit  
I dislike her  
She got her thumbs in the air like a hitchiker  
Ready to fight her  
But instead I chill  
I looked her in the grill

And said

Hook

(Akinyele)

Ha Yo I pick

My kind of steady booker

I put my nuts by your chin so when you look up

I be on top of you doing Bobby Brown pushups

When you give me head lift your toosh up

When I said

What I said

You should of seen her whole head pushed up

She said huh what ill

Hook

(Jessie Nunes)

I won't be doing that shit

Never done it before

No I'm not doing it

Get your hands off my hips

You get out of my face

I don't believe in that shit

You're asking me

I won't do it

I won't suck your dick tonight

Hook

(Akinyele)

You would swear that she want it

From the way you kissed my stomach

Huh I couldn't wait to start cumming from it

Imagine she doing it like she getting blunt it

You know french kiss and put the tongue on it

And then she stopped and I was like doggone it

Stop acting scared like my house haunted

Oh yes you will be licking my dick tonight

I said boo

Do me and I'll do you

She said ok go first and I'll do you

Well I do (lick the pussy)

And you do (lick the dick)

If this is true (and I do do do do do)

Then I guess

Hook

Licking the dick

Or licking the clit

If we do it together we on some 69 shit  
Licking the dick  
Or licking the clit  
I know mad chicks act like they don't lick DICK  
Licking the dick  
Or licking the clit  
Huh if I had to pick

Hook

(Jessie Nunes)  
I don't do that  
I've never done it  
I won't be doing that shit  
Don't be trying it  
Move  
I aint sucking it

Hook

(Akinyele) 2x  
Ha to all my dick suckers in the house  
What up  
And all my clit lickers in the house  
What up

(Akinyele)  
You know  
This is straight up cunt language type shit  
Shit

Oh yes you will be licking my dick tonight
