You don't call anymore, you don't knock on this door
Just to picture you out there without me

Breaks my heart into two
What am I supposed to do
When I thought you would never ever leave?

Cry baby, I am
Cry baby, I am

If I knew you would leave then this heart on my sleeve
Would be safe and sound inside of me
But I guess I'm the fool and you were too cruel
I can see this was never meant to be for me

Cry baby, I am
Cry baby, I am
Cry baby, I am

Cry, cry, cry

Cry baby, I am
