What if you took the long way down  
To your favorite cafe on the east side of town  
And you get stuck at the light  
So you turn down a side street  
That you couldn't drive down  
Cause it's a Saturday swap meet

Oo la la, oo la la, oo la la, la la  
Oo la la, oo la la, oo la la, la la, oooh

So you get out of your car  
And you walk through the crowd  
You bargain for a teapot  
In the shape of an owl  
So you walk and you walk  
And you walk to the coffee shop

Oo la la, oo la la, oo la la, la la  
Oo la la, oo la la, oo la la, la la, oooh

If you're lonely and shy  
But you take the empty seat next to the cute guy

What if he smiled when you asked for the time?  
Your pen wouldn't write so he said take mine  
When your coffee got cold, he bought you another  
You didn't know it yet, but you were meant for each  
other

Oo la la, oo la la, oo la la, la la  
Oo la la, oo la la, oo la la, la la, oooh

What if you talked til it was time to go?  
He said see you around and you said who knows?  
But you knew in your heart that you'd see him again  
After walking down a side street coming from a new  
direction

Oo la la, oo la la, oo la la, la la  
Oo la la, oo la la, oo la la, la la, oooh
