[Verse 1:]

Do you see
Standing there in the corner
I was alone
I always am at these big parties

Watching you
Watching everybody
Wishing I was more outgoing
Wishing I was dressed up pretty

[Chorus :]

Wallflower
I'm not here
No one sees me
Wallflower
I'm by myself
Please excuse me

[Verse 2:]

But there you were
Standing in your own corner
Your eyes were wide
Tired, fading, just like mine

We could be the best of friends
I'm sure of it
But I'm too shy to
Cross this crowded room
Besides

[Chorus :]

Wallflower
I'm not here
No one sees me
Wallflower
I'm by myself
Please excuse me

[Bridge :]

Help me leave this corner of the room
I'm reaching out to you
Cause I've got things

I could talk to you about
And we could be
Wallflower friends
Til the end
Wallflower friends
Til the end

I'm sure of it

[Chorus :]
Wallflowers
We're not here
No one sees us
Wallflowers
We're together
Please excuse us
