TRYING TO MAKE A FOOL OF ME

Delfonics

We've been together for so long

Listen baby, I'm gonna love you

Right or wrong

don't fence me out

Cause I love you so

And I never want to let you go

But you keep trying to make a fool of me

Trying to make a fool of me

Trying to make a fool of me

Trying to make a fool of me

You keep trying, trying, trying

Trying, trying, trying

Our love was done before it starts

Listen baby, you think that you are having fun

Somehow I know, you hurt me so

Sooner or later gonna let me go

And you keep trying to make a fool of me

Trying to make a fool of me

Trying to make a fool of me

Trying to make a fool of me

And you keep trying, trying, trying

Trying, trying, trying

Somehow I know, you hurt me so

Sooner or later gonna let me go

And you keep trying to make a fool of me

Trying to make a fool of me

Trying to make a fool of me

Trying to make a fool of me
