I wish your heart was big enough
For the two of us
I sure wouldn't mind
I forgot the bottom line, ooh yeah
I ought to stop
I ought to give it up
I always push my luck, and thats what got me stuck in
the first place
In the worst way
But I'm so in love, with you
Now what am I to do?

'Cause you're
A little too perfect
A little too good for me
I ain't sayin' I'm trouble
The trouble's that you knock me off my feet
A little too perfect
A little too good for me
You ain't blowin' your cover, but hey
I'm gonna catch you anyway

Your middle name ain't 'Heavenly'
But it ought to be
Your're high above the rest
Like an angel, never less, ooh yeah
How many days, in so many ways
I'm kinda glad, though I guess I got it bad and that ain't
good
Take me under, I wish you would
'Cause I'm so in love, with you
So tell me what I've got to do

'Cause you're
A Little too perfect
A little too good for me
I ain't sayin' I'm trouble
The trouble's that you knock me off my feet
A little too perfect
A little too good for me
You ain't blowin' your cover, but hey

I'm gonna catch you anyway

I wish your heart was big enough, for the two of us
I sure wouldn't mind
I forgot the bottom line
Ooh yeah

A little too perfect
A little too good for me
I ain't sayin' I'm trouble
The trouble's that you knock me off my feet
A little too perfect
A little too good for me
You ain't blowin' your cover, but hey
I'm gonna catch you anyway
Repâ€¦!
