One eye open, well, I guess it's one of those days.
One foot down, I'm stepping into empty space.
Mirror, mirror, tell me will this day get better.
Close the door behind me, let me smell the air.
Guess nothing's going to happen here.
But I'm out there and it's a free ride.
I get a little low sometimes, but it's all right.
Cause I'm out there, on a free ride.
Many, many miles from here, I am going to get my
share somewhere.
Step by step I walk through familiar places.
I take a seat and look around the small café.
There's really nobody here.
