Memories fade
Oh I just try to scream
Noone may hear my cries
It's so quiet in here
But if my memories fade...
memories fade... away...

Away... Away...
won't you take my pain away?

Away... Away...
won't you take my pain away?

Oh if I try to scream
don't leave me aching here!
come to release me!

Oh if I try to scream
so loud you'd even hear
Oh if I try to scream away!

Tears I cannot save
when I fall into the silence
with its freezing voiceless songs
(whispering) lower than a sigh

Darling don't be afraid
of this dreadful scary darkness
it just tries to take your pain away

Away... away...
won't you take my pain away?

Away... Away... to forget
the grief that I once felt

Oh if I try to scream
don't leave me aching here!
come to release me!

Oh if I try to scream
so loud you'd even hear

Oh if I try to scream away!

I wish I were safe
back in my shell
out beyond the furthest end
far away
