Well I've just been thinking things over  
My heart is flooding with tears  
My life just don't seem worth living  
and it's been this way for years

My skies above turning grey now  
Well I just walked the soles off of my shoes  
I just don't have much to say now  
I'm just knee deep in the blues

Well I've just been thinking things over  
My heart is flooding with tears  
My life just don't seem worth living  
and it's been this way for years

Don't ask me why I've been crying  
Well, 'cause I have lost about all I can lose  
Well, there's just no use in trying  
Well, I'm just knee deep in the blues
