(Verse 1)

All ready know I got my game and I be saying
Girl I know about you cuz you know I ain't spraying it
I love the way you look at me since I be down
And I say that babygirl like I'm fluid with my sounds
Then you gotta keep on flowing, gotta keep on going
Since you laying in my eyes like a perfect design
I got you... Got me, got me all this time
I do this one more time baby, I be lucious on your mind
I know you need that maintenance, highly sensation
Rolling in that paint shit, you're body so anxious
Spoiled as you are with my love & lust galore
Loce is in the name... coming soon in stores

(Verse 2)

You all ready know what it's like in my world
Yeah... you all ready know
Take my time girl, I know the buttons like it's flash
Panoramic view, widescream damn...
Motion picture directing like I'm into you
Messages I'm sending you; all you need, menu
Fill you're appetite on your plate
Take you out each day like it's our first date
Rupture your emotions the lid keeps on flying on
You've must've never seen it but now you keep on
signing on
Umm... I have to say this is worth the while
So don't hesitate when we run the miles
