You've got to tell me, baby
What you doin' to me
You've got to tell me, baby
What you doin' to me
What you doin' baby?
The way you do now, mama
Just can't leave you be

Ooh, I've got to be your man
I've got to be your man
I've got to be your man
I've got to be your man

Yeah

I feel your love now, baby
Lovin' on my mind
I feel your love now, baby
Lovin' on my mind...

And I need it all the time!

I've got to be your man
I've got to be your man
Yeah

I've got to be your man
I've got to be your man
Let me tell ya why

'Cuz little baby girl
You love me right
Come on now, mama
Just love me right
Come on little girl
Just love me right
Come on, give me all your love

Yeah, the way you look, baby
You lookin' good

I've got to be your man
I've got to be your man

Sho 'nuff!

I've got to be your man
I've got to be your man

Let me tell ya why

'Cuz little baby girl
You love me right
Come on now, mama
Just love me right
Come on little girl
Just love me right
I just got ta be your man
