You gotta tell me, baby
Well, what's wrong with you
You gotta tell me, baby
Oh, what's wrong with you

Yeah, you gotta tell me, baby

I'm tryin' to love you right
And you play me for your fool

I can't believe, baby
Well, the things you say
I can't believe
Oh, well, the things you say

What you doin' to me?

I never would believe, child
Y'all would ever treat me this way

There's too much evil, baby
And too much cryin'
'Cuz I'd be a fool now
To keep on tryin'

I gotta go away, baby
Well, baby
Lord, gotta leave me be
'Cuz you're low down love
Low down love
And it's killin' me
Yeah, it's killin' me

Yeah, keep me worried all the time

Here I come, baby

Yeah, do it again... do it again

I gotta leave you, baby
That's the way it must be

I gotta leave you, baby
That's the way it must be

'Cuz you're low down love
Low down love
And it's killin' me
Yeah, it's killin' me
