Yeah!

I stay out all night drinkin'  
All night long  
I stay out all night drinkin'  
All night long

But don't mistreat me, mama  
Don't do me wrong  
'Cuz the day you dog me, woman  
That's when I am gone

That's right, baby

I keep myself, lordy, movin'  
From town to town... yeah  
I keep myself steady-movin... ooh  
From town to town

When I come by, mama  
Maybe I'll come around

I can't change my ways  
And you can't change my mind  
'Cuz my love never stays  
And you get left behind

You know it's true, baby

Girl, I'll be on my way  
In my sweet time

Oh, come on, honey  
Oh, come on

It's my sweet time now, mama  
It's my sweet time, babe  
It's my sweet time now, mama  
It's my sweet time, babe  
It's my sweet time now, woman  
It's my sweet time

It's my sweet time, honey  
It's my sweet time... Look out!
