I'm getting weary  
I'm going blind  
'Cause you mistreat me baby so unkind  
One thing I know honey  
Love is blind  
'Cause you find your heart and then loose your mind

I keep crying the same old way  
I keep on trying the same old way  
Feels like I'm dying baby...  
The same old way....yeah

Your kind of loving, Can't be found  
You pick me up just to tear me down  
But here I am baby, On my knees  
Still trying to give you love and everything

I keep crying the same old way  
I keep on trying the same old way  
Feels like I'm dying baby...  
The same old way....yeah

So you don't love me  
Let me tell you that's no surprise  
I see so clearly, I can see it's lost in your eyes  
Your heart breaks coming, It's gunna cut you  
baby...down to size

(Slide Guitar Solo)

Look Out!  
The time has come I can't  
take no more  
I got to leave this killing floor  
You've done me dirty  
You've done me wrong  
It's been too hard baby, way to long

I keep crying the same old way  
I keep on trying the same old way  
Feels like I'm dying the same old way

Feels like I'm dying the same old way  
Feels like I'm dying...  
Oh baby, oh lord  
Keep me crying baby  
Keep me crying babe  
Oh lord  
Oh lord  
Ohhhhh Oh baby  
Can't take no more of this same old way
