Money don't grow on a money tree  
The more you take, the less for me  
Money don't buy what you really need  
It make an iceman cry, a stoneman bleed

But when you get right down to it, no matter who you  
are  
It rules your life like a virgin queen  
One day you might get over it, but in the meantime  
It rules the world like a green machine

In the bank, in a box--money talks  
In the black, on the rocks--money talks, money talks

Money don't lose in the money game  
It drags you down like a ball and chain  
So money don't come with a guarantee  
It makes a fool of you, it makes a fool of me

But when you get right down to it, no matter what you  
say  
It ties you down but it can set you free  
Some day you might get over it, but in the meantime  
It burns you up in the first degree

Moscow, Bangkok--money talks  
Park Lane, Boardwalk--money talk

But when you get right down to it, no matter what you  
try  
You deal the cards, give the wheel a spin  
One day you might get over it but everybody knows  
It's heads you lose and it's tails they win  
Don't have too much to show for it, that's the way it  
goes  
You roll the dice and they cash you in

Pinball, jukebox--money talks  
Redskins, White Sox--money talks  
Billboard, Cashbox--money talks
