"Puppet Master"

Visit "[Puppet Master](#)" on MotoLyrics.com

You ain't big enough, don't do it, I don't care
If you disagree.
You ain't fast enough. Don't try it,
Don't play games with a wizard like me.
You're a feather in my cave, I'm the puppet master.
You decide you play the role
But I'm the one who is in control.

Dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.
Dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.
All you hear and all you see,
I'm the piper, follow me.
Dance, dance, dance, dance to my tune.

You ain't rough enough. Don't do it,
Try your luck if you disagree.
You ain't tough enough. Don't push it,
I can't lose, I'm the referee.
You're a shadow on the wall, I'm the puppet master.
Play the fool or play the king, but I'm the one who pulls
the string.

Dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.
You must dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.
I'm the master, you obey!
Do exactly what I say!

Dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.
You must dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.
Dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.
You must dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.

Dance to my tune, dance to my tune.

Dance to my tune, dance to my tune.
Dance to my tune, dance to my tune.
Dance to my tune, dance to my tune.

You ain't strong enough. Don't fight it,
Take my word if you disagree.
You ain't smart enough. Don't think it,
You can't win with a dealer like me.
You are ice upon the fire, I'm the puppet master.
I'm the spider, you're the fly.
Apple of an evil eye.

Dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.
You must dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.

I won't beg and I won't plead,
Give me everything I need.
Dance to my tune, dance to my tune.
Dance to my tune, dance to my tune.
Dance for me, you have no choice.
Listen to your master's voice.
Dance to my tune, dance to my tune.
Dance to my tune, dance to my tune.
I'm the red rag, you're the bull,
I'm Delilah, you're the fool.

Dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune.
You must dance, dance, dance, dance to my tune.
Dance to my tune, dance to my tune!
